II- Conference Description and Purpose

The H&I Conference of A.A. is a conference held at Convention facilities in the Southern portion of California. The Conference is meant to include, but is not limited to, H&I members of A.A., Spanish H&I Committee members, and members of Al-Anon; along with General Service Trustees, Area Delegates, and the general membership of A.A.. In general, such committees geographically occupy the Southern portion of California, bounded by the Pacific Ocean, from the Central Coast area of California to the borders of Arizona and Mexico.

The Conference is held to enhance knowledge, cooperation and understanding within all areas of H&I work; including the Professional, Psychiatric, Penal, and Treatment facility approaches and methods in use with the practicing alcoholics we serve.

The purposes of the H&I Conference of Southern California are:

1. To improve the mutual understanding and cooperation between A.A. H&I groups hereafter referred to as H&I and professionals that are involved with the treatment of Alcoholism, including the hospitals, correctional and treatment facilities within the SCHII Committee area.
2. To enhance communications between H&I committees of the Southern California and A.A. as a whole, through workshops, panel presentations, speakers, general sharing and fellowship.
3. To provide enjoyment and gratification for A.A. members who give of their time, energy and money throughout the year, carrying the message to confined alcoholics.
4. To provide the general membership of A.A. with a better understanding of the H&I group functions.

III- Conference Leadership Policy

1. The Southern California H&I Conference is a function of, and is directly responsible to the SCHII Committee. The H&I Conference Co-Chairperson and the Co-Treasurer will be selected by the SCHII Committee in an election to be held annually at the January SCHII Committee meeting. These persons will take office 60 days after the conclusion of the immediate past Conference prior to theirs. The SCHII Committee Policy Chairperson and the H&I Information booth Chairperson will be elected by the SCHII Committee in an election to be held annually at the November SCHII Committee meeting. These persons will hold office for the conference year following the election. In the event of incapacity or other inability to serve, the newly elected Conference Co-Chairperson, Treasurer, the SCHII Committee Policy Chair, and H&I Information Booth Chairperson positions shall be filled by election as needed at the earliest possible SCHII Committee meeting.
2. The Advisory Committee will include the current Conference Chairperson, and the Co-

Chairperson. Also included will be the three (3) immediate past Conference chairpersons, and the current SCHII Committee Policy chairperson. Various Conference sub-committee Chairpersons will be selected by the Conference Chairperson, with advice from the other SCHII Committee elected officers, and will include the following positions: a Recording Secretary, and sub-Committee Chairpersons for various other Conference entities. For this reason, no one person should serve as Chairperson of a single Committee for two successive years and, where possible, new leadership should be selected.
4. Should any elected Conference Committee Chairperson be unable to fill or complete the term of office, the Co-Chairperson of that position will assume the vacated position and a new Co-Chairperson for that position will be elected at the next SCHII Committee business meeting.
